Part 1 of 2

Part 2 of 2

This is your practice permit. **Do NOT destroy this document!**

In accordance with the *Health Professions Act*, Section 36(5), you must either display your practice permit where you provide professional services, or have it available for inspection upon request.

ACP will issue a new practice permit if an authorization or condition is added to your practice permit. You may be required to surrender your old practice permit to the Alberta College of Pharmacy in this circumstance.

You may laminate your practice permit.

*Note: Clinical pharmacists and locums must maintain the required professional liability insurance at all times while registered (regardless of whether working or residing in Alberta).*
